Section 3 - Liability, Waiver and Additional League Policy's

League fees are based on an estimate of the costs of running the league. Therefore, any refunds for players leaving the league will be on a proportional basis of new funds generated by replacement players filling these openings.

I acknowledge that the U.A.H. rules and policies will be enforced & I will participate in the spirit of sportsmanship. In particular, I will follow and be subject to the **no alcohol policy**.

You are playing at your own risk. Full protective equipment is required including a CSA certified helmet that must be properly secured. Full facial protection is strongly recommended, anything less is at the player's own risk. By signing this form you are accepting the risks involved and any limitations of insurance by playing without full facial protection.

It is entirely your responsibility to consult your family physician prior to starting to play each season and returning to participate in any league games after any injury or medical condition.

I accept notice that the annual General meeting will take place prior to the start of the season in a suitable room in the Uxbridge Arena.

I confirm that the above address information is true and correct and I realize that any misrepresentation will result in immediate removal from the league. Should I miss 5 consecutive games during a season without contacting my team representative or a member of the U.A.H. Executive, I acknowledge and agree that the U.A.H. Executive has the right, without any notice to me, to allow another player to replace me on my team for the remainder of the season (subject to a refund as set out above).

UXBRIDGE ADULT HOCKEY ACKNOWLEDGEMENT

In consideration of being allowed to participate in Uxbridge Adult Hockey with regards to athletic/sports program, related events and activities, the undersigned individual acknowledges, appreciates and agrees that:

ZERO ALCOHOL TOLERANCE—Any UAH player possessing or consuming alcohol in the dressing rooms or other non-licensed area of the Uxbridge Arena, as verified by a UAH Executive and/or UAH player, will be suspended for five games. In the event of a second breach of this policy, the UAH player will be suspended for one full calendar year. In the event a UAH player is charged by the police for breach of any liquor laws in respect of his or her actions while on the Uxbridge Arena premises, such person will be suspended for one full calendar year whether convicted or not. In the event of a one-year suspension, a suspended UAH player will be viewed as a new registration and have no seniority if such person re-registers with UAH. If I am suspended for breaching the foregoing zero alcohol tolerance policy, I shall not be entitled to any refund of my registration fees.

Registration Policy

Existing players that started the CURRENT season on a team (see UAH returning players page 1) who re-register by tournament weekend, have priority.

Current players re-registering for the upcoming season must completely fill out section 1,2 and 3 of this registration form and must submit the required payment by tournament weekend in order for their application to be valid. (Exceptions to the payment requirements by UAH Executive order only)

Registration for players new to the league is open to township residents who have completely filled out section 1 and 2 of this registration form. These registrants will be placed on a team on a first come first served basis (determined by registration date) as space permits.

New out of township players may register, but their application will not be considered until after August 1st, and then on a first come first served basis. New out of township players will only be considered if the league residency is above 90% township residents, and all in township applicants as of Aug. 1 have been placed on a team. After Aug. 1, all applicants will be placed on teams on a first come first served basis.

If the league has not met the requirement of 90% residency, out of township players with the least seniority in the league will be replaced with township residents. The out of township players can remain on the waiting list and may register the following year if they wish.

New out of township players are not guaranteed a spot in the league following the year they have played.

Goalies, due to their necessity to the game, are not subject to this policy and placement is at the discretion of the UAH executive.

Current fees, as outlined on the current year Registration Form, apply to tournament weekend registration ONLY. ALL other registrations are subject to a \$50 surcharge.

NSF cheques will render your registration form invalid. An appropriate NSF charge will be levied, and your registration will become valid, and be dated accordingly, only when full payment has been received.

I accept and understand the risks, conditions and recommendations outlined above

I have read the above waiver and release of liability and the UAH acknowledgement, fully understand its terms, understand that I have given up substantial rights by signing it and sign it freely and voluntarily without any inducement.
